

Alex Johnson

Consultant

CURRENT RESPONSIBILITY

Alex is a consultant and director of pharmacy with the San Diego office of Milliman. He joined the firm in 2016.

EXPERIENCE

Alex specializes in managing prescription drug costs for payers through effective contracting, analytics, and benefit design optimization. He provides pharmacy benefit consulting services to a variety of clients including: employer groups, union funds, health plans, public sector entities, and coalitions. Alex has more than 10 years of consulting experience and worked for a national pharmacy benefit manager (PBM) for five years where he held leadership roles in pricing and account management.

Alex has conducted PBM RFPs, executed successful Market Checks, negotiated pharmacy benefit contracts, managed vendor implementations, audited PBM performance, and provides ongoing fiscal management.
